19) At the present rates of Dearness Allowance we are incurring an ~~expenditure~~ expenditure of about Rs 11.6 lakhs p.a besides expenditure on salary and establishment. Together, the expenditure is over 6 crores while the Revenue is hardly Rs 11/ crores. With the integration coming into effect from 1-5-40, our Revenue position is likely to stand at about Rs 8/- crores after a period of 5 years from 1-5-40, during which period we will be receiving a subvention to the extent of Rs 279- p.a from the centre.

20) The Govt of Madras, with their Rev. position at Rs 42/- crores are not able to increase the rates of dearness allowance on a par with those of the Govt of ~~Madras~~ India. ~~Our~~ We are likely to face with a deficit of about Rs 2/- crores. With all the best of sympathy ~~of~~ we are not in a position to increase the present rates of dearness allowance, however much one may desire to

help the lot of the non-Gazetted Officers, in particular. If We can avert the possibility of effecting any reduction in 'Salaries', — in fact the Govt of India have already given a lead in the matter — then we can ~~boast~~ be said to have achieved a triumph.

21) The employees of the Civil Station whose Services were taken over by the Govt with effect from 1-12-48, (the date from which new scales of Pay were made applicable to these employees) cannot be treated on a better footing than their colleagues in the city or other places in the State. They have to bear both the benefits & burdens. & They cannot have only the easements which other employees of the Govt are having. (viz lower rates of income-tax etc). They have to bear the burdens. Any concession shown to this class of employees have to be shown to others as well. When even the Govt of Madras have

956

declined to increase the rates of
"clearness allowance sanctioned to
their employees, much less are we
in a position to think of increasing
the present rates. This exact question
has been considered more than
once & decided in the negative
due to our unsatisfactory financial
position.

Subject for orders with the previous
papers on the subject.

22) There can be no consideration
of further enhancement in Salaries
or allowance. A note has been
circulated proposing reductions in
Salaries etc. There cannot be a
gloomier picture than that explained
in the note. All such applications can be
considered when we have idle money
which cannot be spent otherwise.
But the present position is that we have
no money even to meet current
expenditure

CHIEF SECRETARY GOVT. OF MYSORE 21 17 CB

Date 5th August 19 49

To

The Chief Secretary to the Government
of Mysore, Bangalore.

Sir,

With reference to your letter No.8421/CB, dated 16-4-1949, I hereby inform you that the representatives of the Non-Gazetted Government Officers' wish to urge the following points at the time of deputation.

(1) Retrenchment of temporary hands.
(2) Pay offered to Civil Station Staff.
(3) Exemption from passing departmental examination.
(4) Promotions.
(5) Dearness allowance and House Rent allowance.

These are explained in the ensuing paragraphs:

RETRENCHMENT : Since the last reference was made about this subject in my letter No. nil, dated 15-7-1948, much water has flown under the bridge. Retrenchments have been effected on a large scale and the existing hands are faced with gradual retrenchments. The Government have in their Order No.G.O.3570-7/C.B. 217-48-1, dated 25-11-1948, laid down that if any department is wound up the permanent employees will revert to their substantive posts and temporary employees will be discharged.

This association submits that there are more than 100 temporary men in temporary departments such as Food, Rent Control etc., and many of them have put in 5 to 6 years' continuous service. It will be injustice of a grave character if these men are thrown out of employment after so many years' service on the cessation of controls. There will also be no zeal and enthusiasm on their part if they are not given a sense of security. The members of this Association will be highly grateful if Government are pleased to reserve for these temporary men with a minimum of two years' service, a certain percentage of permanent vacancies occuring in other departments and the names of all temporary men included in the list of Candidates for subordinate services issued by the Public Service Commissioner. The Government of India have made 50% of all temporary appointments under them permanent. It is also requested that a new tenures called "Quazi Permanent Service" created to benefit these men and Rules on the lines of Central Services (Temporary Services) Rules 1949 framed in respect of temporary services in the State.

2. PAY OFFERED TO THE CIVIL STATION STAFF.

(G.O. No.3570-71/C.B.217-48-1, dated 25-11-1948.

The pay and prospects of some officials have also been affected by the recent revision of pay scales e.g., There was drastic cut in the pay of the Superintendent, Civil Supplies Department from Rs.195 to 145/- and that of the Assistant Fuel Officer from Rs.150/- to 100/-. Senior men with more than 20 years' service have been placed only in the lower division. Government may kindly be pleased to re-consider such cases of hard-ship.

3. DEPARTMENTAL EXAMINATIONS:

No departmental tests were prescribed by the previous Administration and that is why many of the officials in the Station who have been transferred to Mysore Services have not passed these tests. The Deputy Commissioner has now issued a warning to all Officers that if departmental Examinations are not passed, they will not be eligible for confirmation or to draw the increments in such appointments. This is creating much hardship to many aged people who have put in long service in the departments. Exemption may, therefore, be granted to Officials over 35 years of age and more than 10 years' service from passing these tests as their service and age with the past records must be more fruitful than the examinations which alone cannot bring efficiency and as these examinations are instituted for the purpose of merely testing the fitness of candidates for the special duties appertaining to particular departments of the service or to particular appointments or officers therein.

Secondly, while the Madras Public Services' Commission which conducts these examinations allows candidates to answer the papers with books and to pass part by part viz., Revenue Part I, Rev. Part II etc.— the local service Board in Bangalore examines the candidates without Books and questions set are so difficult that only officials who have crammed certain Rules and Regulations can answer them satisfactorily. Some Text Book like Revenue Mannal, Revenue Rules etc., are not available in the Government Press for the past 2 years. Arrangements may be made for early supply of these books. Government may be pleased to direc the Board to permit the candidates to present themselves for the examination with books and to allow them to pass the examinations part by part if preferred i.e, Candidates who have once passed in one or more parts comprising the group, should be exempted from sitting for the Examination in the same part or Parts e.g.,

4. PROMOTIONS:- When a deputation of representatives of this Association met the Dewan on 17th October 1947 in Mysore, they were assured that if they elected to serve under Mysore Government they would have better scope promotion etc., This Association regrets to note that not only gazetted posts but also upper subordinate posts, like Sheristedar, (Dy. Commissioner Office) Head Clerk(Dy. Commissioner Office) Superintendent in Treasury etc., which fell vacant due to retirement of the holders of these posts have been filled in ~~by~~ Mysore Government Servants in utter disregard of the claims of Senior suitable men formerly in Civil Station Service. Suitable instructions may be issued by Government to appointing authorities not to over look the just claims of qualified, experienced hands, transferred to Mysore Service due to Retrocession, while filling up such vacancies in the Civil Station Offices, and in large offices like the Secretariat Revenue Commissioner's Office and Controller's Office etc.

5. DEARNESS AND HOUSE RENT ALLOWANCES:-

The Dearness Allowance now paid to Mysore Government employees is low and not commensurate with the increase in price levels. No house rent is paid though Government have in their House Rent and Accommodation Control Law provided for an increase in house rent by the landlords. The Allowances admissible to Central Govt. Servants residing in Civil Station and working in Government of India Offices like Postal, Railway, Military and those paid to Mysore Government servants in the same Station are shown below:-

MYSORE RATES.				CENTRAL GOVT. RATES.			
Pay.	D.A.	House Rent Allowance.	Compensatory allowance.	Pay.	D.A.	House Rent Allowance	Compensatory Allowance.
Rs.40 to 80/-	Rs.18/-	Nil	Nil	55 to 160	Rs.45+10/-	+ Rs.10/-	=65/-
Rs.81 to 100/-	Rs.22/8/-	"	"	109 to 200	Rs.55+10/-	+ Rs.10/-	=75
Rs.101 to 150/-	Rs.30/-	"	"				

As the cost of living index figures are the same both for Central Government Servants and Mysore Government Servants, residing in one and the same station, namely Civil Station, the latter may be paid allowances at the rates paid by Central Government.

Our grievances will be more fully represented in person. Please arrange for an early meeting with Chief Minister.

Yours faithfully,

PRESIDENT. 12/8.

The Chief Secretary to Government
of Mysore, Bangalore.

CHIEF SECRETARY 42 18 OCT 1949 CB GOVT. OF MYSORE

With reference to your letter No.2300/CB. dated 12th September 1949 calling for my remarks on the points referred to in the memorandum dated 5/12th August 1949 submitted by the non Gazetted Officers' Association, Civil Station, Bangalore I have the honour to state as follows:

1) Retrenchment of temporary hands:

The concessions granted to the thrown out and the retrenched hands of the Civil & Food Supplies Departments in G.O.No.E.952.1005/R & P.S. 69.47.2 dated 31.7.1948 may be exten ded to the Civil Station employees also.

2) Pay offered to the Civil Station Staff:

Government have stated that special cases of hardship caused by the General Revision of Scales of pay of the non gazetted staff of several departments of State would be ~~examined~~ considered, etc. (G.O.No. FC.2010-70/S4A. 25-47-6 dated 21.9.1947). If there are any such cases in any department of the Civil Station, they require special consideration at the hands of Government.

3) Departmental examinations:

Such of the officials as have already put in 15 years of approved service and are not less than 45 years of age may be exempted from passing the departmental examinations. But recommenda tions for ~~such~~ Such exemptions should be submitted by the heads of depart ments concerned to Government for orders through the Public Service Commissioner as contemplated in Rule 9 of the revised rules of recruitment issued in G.O.No.6.105/CRB. 1.34.1 dated 3.7.1934.

The question of allowing the examinees to use books, etc., may be reserved for consideration by the Mysore Public Service Commission. It is desirable that there is uniformity of procedure in conducting examinations.

4) Promotions:

Due to the amalgamation of the several departments of the Civil Station with the respective major departments of the State, the officials of the Civil Station have now wider field for promotions. The concerned heads of departments may however be asked to include the officials of the Station in the respective Provincial Gradation lists of the departments giving them due seniority with reference to their approved service etc., and to consider their cases for promotions subject to seniority, merit, departmental qualifications, etc.

5) Dearness and House Rent Allowances:

These have to be considered by the Finance Department.

Yours faithfully,

M. Monohar Gowda

Sir,

Sub: Request of the members of the Non Gazetted Officers' Association to wait on deputation on the Chief Minister, Chief Secretary and Public Service Commissioner.

With reference to your letter No.1820/C.B. dated 2nd September 1949 calling for a detailed report with reference to letter dated 5/12th August 1949 from the President, Non Gazetted Government Officers Association, I write to state as follows:-

1) Retrenchment of temporary hands: The suggestion made by the Association in my opinion is not necessary as when confirmation and promotions are made, seniority is taken into consideration.

2) Pay Offered to the Civil Station Staff. The pay of the Superintendent, Food Department and the Asst. Fuel Officer are fixed on a par with similar posts in the rest of the State.

3) Departmental Examinations: I am not in favour of exemption being granted to the Officials. Passing of examinations may be insisted upon.

4) Promotion. I am of opinion that no such demarcation between Civil Station officials and the ~~xxx~~ officials of the rest of the district can be made as Bangalore District (Urban) is constituted and the Civil Station officials form part of that district.

5) Dearness and House Rent Allowances: The Association cannot raise this issue now as terms have been offered individually to the Civil Station Officials which they have accepted and are continuing to work in State Service.

Yours faithfully,

DEPUTY COMMISSIONER.

RE: Memorandum presented by the Non-Gazetted Officers' Association, Bangalore, (CIVIL STATION)

Points urged by the Non-Gazetted Officers Association.	Remarks offered by: Public Service Commissioner.	Remarks offered by: Deputy Commissioner B'lore Dt.(Urban)	Secretariat Notes.	For Orders.
(1)	(2)	(3)	(4)	(5)
1. Retrenchment of Temporary hands. (They request to reserve permanent vacancies for absorbing officials belonging to temp. Departments like Food, Rent Control, etc., on cessation of Controls).	They may be granted the same concessions which were offered to the retrenched officials of the Food & Civil Supplies Deptts.	No Concession necessary.	In view of urgent need for economy, no special concessions can be held out. Individual cases of hardship may be considered sympathetically. sd/R ..
2. Pay offered to the Civil Station Staff with particular reference to Superintendent, Civil Supplies Department and Asst. Fuel Officer.	Particular cases of hardship require consideration of Govt.	The pay of the Superintendent & Asst. Fuel Officer are fixed on a par with similar posts in the State.	The opinion of the Deputy Commissioner seems acceptable. [These two officers were allowed the pay they were getting subject to the condition that they would draw this pay only so long as they held these posts & that this would not give them any claim for promotion in their permanent dept] sd/R ..
3. Exemptions from passing Departmental Examinations.	Exemptions may be granted to officials with 15 years service & aged 45 and above. Such recommendations should come through P.S.C.	Not in favour of granting exemption. Insists on passing examination.	No such rigid conditions need be imposed. Exemptions may be granted according to Rules and uniform procedure maintained throughout the State. sd/R ..	

(Continued)

(1)	(2)	(3)	(4)	(5)
4. Promotion: Not to overlook the just claims of qualified servicemen.	The names of officials of the Civil Station should be included in the respective Provincial Gradation Lists of the several Deptts; and their cases for promotion should be considered subject to seniority, merit, qualifications, etc.,	Civil Station forms part of Bangalore Dist. (Urban). Hence no demarcation is called for.	They should be treated on a par with other officials of the State. Promotions should be made according to service, merit & qualifications.	
5. Dearness Allowance and House Rent Allce: To pay allowances at the rates paid by the Government of India.	No opinion	This issue cannot be ~~ruled~~ now, since terms were offered individually and they have accepted it them.	Government cannot accord special preferential treatments to any one Section of its employees. Under the present financial crisis enhancement of salaries or allowances is impracticable.

POINTS FOR DISCUSSION WITH THE CHIEF SECRETARY TO GOVERNMENT OF MYSORE ON 9-2-1950.

(Association's letters dated 5/12-8-1949 and 8-12-49)

1. G.O. No.3570-71 C.B. 217-48-1 dated 25-11-1948.

   (a) Retrenchment of temporary hands.
   (b) Reversion of permanent hands.

2. Departmental Test - Exemption.

3. Age limit - Exemption.

4. Promotions.

5. Dearness Allowance and House Rent Allowance.

6. Malanad Service - Exemption.

7. Retransfer of Non-Gazetted Government Officers' of Civil Station to departments to be taken up by the Central Government from 1st April 1950 such as Incometax Excise, Communications etc.,

Brief notes on these points are given below:-

1(a) Retrenchment of Temporary hands.

Government have in their order quoted above laid down that in the case of employees working in temporary departments such as Food Civil Supplies and Rent Control etc., they will continue in their appointments as long as the departments in which they are working lasts and that if any department is wound up the premanent employees will revert to their substantive posts and the temporary employees will be discharged.

There are over 100 temporary hands and a few permanent hands working in the various temporary departments for the past 6 to 7 years and even more in certain cases. Retrenchment has already been effected just before and after Retrocession. If the remaining temporary men are also discharged on the winding up of the temporary Departments their career will be ruined as they have no chances of re-entering Government jobs being already over aged. This Association requests that all the temporary employees

4

employees of the Civil Station who were absorbed into ...ore service and who have put in at least 2 years service ca... retained as supernumeraries and absorbed in future ...ancies in permanent departments and for this purpose ...eir proportion of permanent vacancies may be reserved ...r them as was done previously in the case of War service ...en. It is understood that quite a large number of ...manent vacancies exist in State Audit and Accounts ...d some other Departments. Similarly new Departments ...ke the Road Transport Department are coming up where ...ere will be permanent vacancies. It is submitted that ...e temporary hands may be appointed in such vacancies ...rmanently and such as O.T.D. in the temporary depart...nts for the duration of those departments. It is ...bmitted further that the recruitment rules of the ...ublic Service Commission should not be made applicable to these employees.

The Government of India are reported to have made 60% of all temporary appointments under themselves. The Madras Government have also directed that all temporary posts in continuous existence for at-least 5 years and more should be made permanent, vide Press cutting dated 31-8-1939(enclosed).

(b) By a reversion of permanent employees to their substantive posts in consequence of any temporary Department being wound up and at the same time continuing other temporary or permanent hands junior to them on higher salary in other temporary departments there will be a set back in the pay and prospects of such permanent hands. It is therefore suggested that such officials should be absorbed on termination of their present appointments in other permanent posts or temporary posts without affecting the pay drawn, length of service

length of service and date of promotion to that grade, of these employees. It will be very hard on these employees to revert them to other posts on lower pays where they have toiled hard and were appointed to these posts not on account of their choice or initiative but by compulsion in the interests of public service.

DEPARTMENTAL TESTS.

No departmental tests were prescribed by the previous Administration. The Deputy Commissioner has now issued a warning that if departmental examinations are not passed, they will not be eligible for confirmation or to draw increments in such appointments vide copy enclosed. This is creating much hardship to those who have put in long and efficient service in the Departments and were found quite fit for their jobs. Exemption may therefore be granted to officials of the Civil Station, Bangalore of over 10 years service from passing these tests as their service and past records are sufficient guarantee for efficient work in their respective posts. The officials in the Food Department are required to pass Revenue Tests though they have no practical working knowledge of Revenue Rules and procedure. Temporary hands may be given time upto 1-1-1952 to pass the departmental examinations.

Secondly, it may be mentioned that the Madras Services Commission which conducts such examinations allows candidates to answer the papers with books and to pass part by part viz., Revenue Part I, Revenue Part II etc. Government may be pleased to direct the Board to permit the candidates to present themselves for the examination with books and to allow them to pass the examination part by part if preferred i.e., candidates who have once passed in one or more parts comprising the group, should be

/

should be exempted from sitting for the Examination in the [illegible] part or parts [illegible], and each subject may be made a part by itself as in Madras vide Notification relating to Special Test Examination issued by the Madras Public Service Commission(enclosed for reference)

AGE LIMIT.

The age limit prescribed by Government for promotions in the several departments of Government may be relaxed in the case of Civil Station permanent staff as no such restrictions existed in the former service and the observance of this will block their future prospects and promotions.

PROMOTIONS

The Dewan assured the deputationists whom they saw him in Mysore on 17-10-1949 that they would have better scope for promotion if they elected to serve under Mysore Govt. This Association wishes to bring to your notice that the claim of senior and suitable men in Civil Station who would have been appointed in the usual course have been ignored in filling up upper subordinate posts after the date of Retrocession, viz.,

(a) Shoristadar ... Dy. Commissioner's Office.
(b) Head Clerk ... -do-
(c) Superintendent ... Treasury.

These posts were filled by persons chosen from the State Services in-spite of the fact that there were senior men in the Station who were working for several years in the same grades and who are now threatened with reversion to the original posts and thus loosing all their prospects and career and the benefits of service already put in the higher grades. With a view to regulate appointments to upper subordinate posts instructions may be issued to appointing authorities to maint in a list of all permanent and tempora officials in the Civil Station in the order of seniority an

seniority as determined not merely by their length of service but also by the pay drawn by them and date of promotion to that grade and their qualifications and make selections from that list. Whenever vacancies arise in upper divisions or higher ranks officials officiating or officiated in upper division may be given preferential treatment over their seniors in service in the lower division who were not prepared to undertake work of greater responsibility in temporary departments like Food and Civil Supplies.

This Association also respectfully urges that the most capable and energetic among the available departmental hands may be selected for promotion to Gazetted posts in departments like Revenue, Co-operative, Sales Tax and newly formed departments like Rural Development, Road Transport etc.

Dearness and Other Allowance.

The Dearness Allowance now paid to the employees by Mysore Government is very low compared with Central rates. A table of rates is given below:-

TABLE I.

Pay.	Dearness Allowance.	House Rent Allowance	Compensatory Allowance.	
MYSORE RATES.				
Rs.40-80	Rs.18/-	-	-	Rs.18/-
Rs.81-100	Rs.22-8-0	-	-	22-8-0
Rs.101-150	Rs.30-	-	-	30/-
CENTRAL RATES.				
Rs.80-100	45/-	10/-	10/-	65/-
Rs.100-200	50/-	10/-	10/-	75/-

An increase in the Dearness Allowances and grant of House Rent Allowance may be considered, as the present rates are far less than what the cost of living actually warrants. The Civil Station staff were paid pay at Central rates up to 30-4-1948 but the House Rent allowance was stopped after 26th July 1947. This was unjustified.

Sanction may be accorded to pay house rent allowances to Civil Station staff up to 1-12-1948 when they were absorbed in Mysore Government Service as they were subject to Central Pay scales upto that date and there appears no reason to deprive them of the house rent allowance which was part of the Central Pay Scales.

MALANAD SERVICE.

Officials of the Civil Station who are over 55 years of age may be exempted for Malanad Service.

TRANSFER TO DEPARTMENTS TO BE INTEGRATED WITH THE CENTRE.

Now that some departments like the Income-tax, Audit and Accounts, Central Excise etc., will be integrated with the Centre from 1st April 1950 the Civil Station staff who are in other departments would like to be re-transferred to the above departments as they can thereby get increased allowances and better scales of pay admissible to Central Government Servants. As there may be vacancies in those departments their request may be considered favourably and their representation in this behalf may be recommended and forwarded to appropriate authorities. It is relevent to mention in this connection that the greater part of the serice of the Civil Station staff has been under Central Government and therefore they claim preference to retransfer to Central Service over new recruits or others who have not worked under the Central Government before

POINTS FOR DISCUSSION WITH THE CHIEF SECRETARY TO GOVERNMENT OF MYSORE ON 9-2-1950.

(Association's letters dated 5/12-8-1949 and 8-12-49)

1. G.O. No.3570-71 G.B. 217-48-1 dated 25-11-1948.
   (a) Retrenchment of temporary hands.
   (b) Reversion of permanent hands.
2. Departmental Test - Exemption.
3. Age limit - Exemption.
4. Promotions.
5. Dearness Allowance and House Rent Allowance.
6. Malanad Service - Exemption.
7. Retransfer of Non-Gazetted Government Officers' of Civil Station to departments to be taken up by the Central Government from 1st April 1950 such as Incometa Excise, Communications etc.,

Brief notes on these points are given below:-

1(a) Retrenchment of Temporary hands ~~and~~

Government have in their order quoted above laid down that in the case of employees working in temporary departments such as Food, Civil Supplies and Rent Control etc., they will continue in their appointments as long as ~~the Departments~~ the Departments in which they are working lasts and that if any department is wound up the premanent employees will revert to their substantive posts and the temporary employees will be discharged.

There are over 100 temporary hands and a few permanent hands working in the various temporary departments for the past 6 to 7 years and even more in certain cases. Retrenchment has already been effected just before and after Retrocession. If the remaining temporary men are also discharged on the winding up of the temporary Departments their career will be ruined as they have no chances of re-entering Government jobs being already over aged. This Association requests that all the temporary employ

employees of the Civil Station who were absorbed into Mysore Service and who have put in at least 2 years service may be retained as supernumeraries and absorbed in future vacancies in permanent departments and for this purpose a fair proportion of permanent vacancies may be reserved for them as was done previously in the case of War Service Men. It is understood that quite a large number of permanent vacancies exist in State Audit and Accounts and some other Departments. Similarly new Departments like the Road Transport Department are coming up where there will be permanent vacancies. It is submitted that the temporary hands may be appointed in such vacancies permanently and shown as C.O.D. in the temporary departments for the duration of these departments. It is submitted further that the recruitment rules of the ~~P.S.C.~~ Public Service Commission should not be made applicable to these employees.

The Government of India are reported to have made 50% of all temporary appointments under them permanent. The Madras Government have also directed that all temporary posts in continuous existence for at-least 5 years and more should be made permanent, vide Press cutting dated 31-8-1949(enclosed).

REVERSION OF PERMANENT EMPLOYEES IN TEMPORARY DEPARTMENTS.

(b) By a reversion of permanent employees to their substantive posts in consequance of any temporary department being wound up and at the same-time continuing other temporary ~~hands~~ lands or permanent junior to them on higher salary in other temporary departments there will be a set back in the pay and prospects of such permanent hands. It is therefore suggested that such officials should be absorbed on termination of their present appointments in other permanent posts or temporary posts without affecting the pay drawn, length of service

length of service and date of promotion to that grade, of these employees. It will be very hard on these employees to revert them to other posts on lower pays where they have toiled hard and were appointed these posts not on account of their choice or initiative but by compulsion in the interests of public service.

DEPARTMENTAL TESTS.

No departmental tests were prescribed by the previous Administration. The Deputy Commissioner has now issued a warning that if departmental Examinations are not passed, they will not be eligible for confirmation or to draw increments in such appointments, vide copy enclosed. This is creating much hardship to those who have put in long and efficient service in the Departments and were found quite fit for their jobs. Exemption may therefore be granted to officials of the Civil Station, Bangalore of over 10 years service from passing these test as their service and past records are sufficient guarantee for efficient work in their respective posts. The officials in the Food Department are required to pass Revenue Tests though they have no practical working knowledge of Revenue Rules and procedure. Temporary hands may be given time upto 1-1-1952 to pass the departmental examinations.

Secondly, it may be mentioned that the Madras Services Commission which conducts such examinations allows candidates to answer the papers with books and to pass part by part viz., Revenue Part I, Revenue Part II etc. Government may be pleased to direct the Board to permit the candidates to present themselves for the Examination with books and to allow them to pass the Examination part by part if preferred i.e., candidates who have once passed in one or more parts comprising the group, should be

should be exempted from sitting for the Examination in the same part of parts e.g., and each subject may be made a part by itself as in Madras, vide Notification relating to Special Test Examination issued by the Madras Public Service Commission(enclosed for reference)

AGE LIMIT.

The age limit prescribed by Government for promotions in the several departments of Government may be relaxed in the case of Civil Station permanent staff as no such restrictions existed in the former service and the observance of this will block their future prospects and promotions.

The Dewan assured the deputationists when they saw him in Mysore on 17-10-1949 that they would have better scope for promotion if they elected to serve under Mysore Govt. These posts were filled by persons chosen from the State Services in-spite of the fact that there were senior men in the Station who were working for several years in the same grades and who are now threatened with revision to the original posts and thus loosing all their prospects and career and the benefits of service already put in the higher grades. With a view to regulate appointments to upper subordinate posts instructions may be issued to appointing authorities to maintain a list of all permanent and temporar officials in the Civil Station in the order of seniority as

Whenever vacancies arise in upper divisions or higher ranks officials officiating of officiated in upper division may be given preferential treatment over their seniors in service in the lower division who were not prepared to undertake work of greater responsibility in temporary departments like Food and Civil Supplies.

This Association also respectfully urges that the most capable and energetic among the available departmental hands may be selected for promotion to Gazetted posts in departments like Revenue, Co-operative, Sales Tax ~~and~~ Food and newly formed departments like Rural Development, Road Transport etc.

DEARNESS AND HOUSE RENT ALLOWANCE.

The Dearness Allowance how paid to the employees by Mysore Government is very low compared with Central rates. A table of rates is given below:-

TABLE I.

MYSORE RATES. Pay.	Dearness Allowance.	House Rent Allowance	Compensatory Allowance.	Total
Rs.40-80	Rs.18/-	-	-	Rs.18/
Rs.81-100	Rs.22-8-0	-	-	22-8-(
Rs.101-150	Rs.30-	-	-	30/-
CENTRAL RATES.				
Rs.55-100	45/-	10/-	10/-	65/-
Rs.109-200	55/-	10/-	10/-	75/-

An increase in the Dearness Allowances and grant of House Rent Allowance may be considered, as the present rates are far less than what the cost of living actually worrants. Additional points for submission to Chief Secretary by the representatives of Civil Station Non-Gazetted Officers' Association at interview on 9-2-1950.

It is said that there is likely to be re-organisation of rationing arrangements in the Civil Station and its amalgamation with City Area under a single Rationing Officer for the whole Corporation area. If so, many of the existing staff may be transferred to work under the Rationing Officer. In that case, it is submitted that the liens of persons ~~f~~ so transferred may be retained in the Bangalore Urban District and they may be treated as O.O.D in the Food Department so that their chances of confirmation and promotion may not suffer in any way as a result of abolition of rationing and winding up of Food Department at a later date. At present all the hands of the Food and Rent Control Departments in the Civil Station are, it is understood, included in the gradation list of the Bangalore Dist.(Urban).

OVER FIVE YEARS GOVERNMENT SERVICE

Temporary Posts Made Permanent

Madras, August 31.

The Madras Government have directed that all temporary posts in continuous existence for the last five years and more in the various departments should be made permanent immediately.

Government have also ordered that fifty percent of the temporary appointments between five and three years old, should also be retained permanently provided they are required for the normal working of Govt.

This action, says a press note today, has been taken by the Govt as an ad hoc measure for the purpose of giving relief to the present temporary Govt servants.

NOTE.—In the case of defective applications not admitted by the Commission and in cases in which candidates absent themselves from the examination and the Commission is satisfied that their absence was unavoidable and due to causes for which they were not responsible, the amount of the fee on application made by the candidates, will be adjusted towards the fee for another examination, if the candidates are eligible to appear for such examination. If such a candidate is not a Government servant, he is also liable to be debarred from appearing again for any of the examinations for such term of years as the Commission may think fit; and if he is a Government servant, he will be reported to the Head of the Department for disciplinary action. The same penalty will be imposed on any candidate who personally or by letter attempts to canvass or to bring influence to bear on an examiner or a member of the Commission or its staff in connexion with the examination, or on whose behalf such attempt is made by any relative, friend, patron, official or other person.

15. If for any reason the Commission is not satisfied as to the trustworthiness of a candidate's results, the candidate will be required to undergo a re-examination in one or more of the subjects of the examination for which he appeared and his success or failure will be determined on the result of such re-examination

16. Subject to any change that may be found to be necessary, the examinations will be conducted in the order of time and subjects shown in Annexure A to this notification. Candidates are at liberty to apply for as many tests together as the time-table of the examinations allows. But whatever may be the number of tests applied for, only *one* application form should be used.

17. For any further information that may be required candidates are referred to the notification regulating the Special Test Examinations, published in the Supplement to Part I of the *Fort St. George Gazette*, dated 23rd October 1945, copies of which are on sale at the Government Press, Madras. No copies of that notification can be supplied to candidates from the office of the Madras Public Service Commission.

18. Memorandum of admission to the Special Tests will be sent to the candidates a week before the date of the examination. Candidates who do not receive it five days before the date of the examination should apply for it to the Secretary, Madras Public Service Commission, Egmore P.O., Madras-8.

19. The results will be published in the *Fort St. George Gazette*; no certificates of success will be issued.

20. Any communication intended for the Commission must be made in writing and addressed to the Secretary, and, if a reply is sought, must be accompanied by a stamped envelope with the address to which the reply is to be sent written on it.

Representation of the Non-Gazatted Officers' Assocation, Civil Station Bangalore.

The Representatives of the above Association interviewed me to-day led by Sri A.M.Ramamurthy. The Deputy Commissioner, Bangalore District (Urban and the Public Service Commissioner were also present. There were five points mentioned in their representation of which the one with regard to the pay offered to the Civil Station Staff with particular reference to the Superintendent, Civil Supplies Department and the Assistant Fuel Officer was not pressed. They however brought up two fresh points viz., (a) Exemption to be granted to the Civil Station staff from serving in Malnad and (b) ~~For being~~ giving of special preference to them to get into All-India Service in view of the impending integration in regard to certain Central Departments.

2) The first point urged was in regard to reservation of permanent vacancies for absorbing officials belonging to temporary departments like the food, rent control etc. in the event of the abolition of those departments and consequent retrenchment of the temporary hands. ~~This was~~ discussed and an assurance was given to them that there would be no objection to give permanent [illegible] such officials who are now in temporary departments but this question will have to be

along with those other temporary men who are in the similar departments of Government of Mysore; and a list of all such men will have to be prepared and sent to the Public Service Commissioner who will have to scrutinise them and see that they possess atleast the minimum qualifications required for those in similar grades and the pay ~~in of the posts in which they are employed~~ in the Mysore Service. The Public Service Commissioner will then allot them, after scrutiny, to the several unit offices in the State and there would be no objection to appointing them against permanent vacancies that exist at the time or that may arise thereafter, in preference to new recruits. In view of the fact that some of these persons who have already put in a number of years of service in temporary departments and would be normally over-aged for entertainment in the Mysore Service, it was also considered necessary that exemption regarding age-bar may be given by the Public Service Commissioner wherever needed.

3) The second point, with regard to exemption from passing the departmental examinations, the deputationists were told that no exception could be made in their cases as compared with other officials in the Mysore service except in regard to the fact that as no examination had been prescribed for them while they were in service in the Civil Station, a fresh period of two years would be given

CHIEF SECRETARY 94 10 FEB 1950 GOVT. OF MYSORE

The Chief Secretary to the Govt. of Mysore,
Bangalore.

Sir,

Ref:- Your letter No.9973/CB, d/ Feb. 1950.

The members of this Association wish to thank you very much for the patient hearing you gave to their representatives at to-days interview.

We also wish to thank the Dy. Commissioner, Bangalore Dist.(Urban) and the Public Service Commissioner in Mysore, Bangalore who were present at the meeting and helped us with their valuable suggestions on the various points raised in our memorandum.

Yours faithfully,

PRESIDENT. 9/2

either of these two conditions, at the end of the period of two years, they will not draw any further increment. Those whose pay is at a stage below the efficiency bar level, will draw increments up to the stage of the efficiency bar, but will not be given further increment till they pass all the requisite tests. These two conditions will however apply only to those who are already confirmed in their particular appointments, but will not apply to acting or temporary men.

5) Dearness and House rent allowances: The question of dearness allowance was not pressed. But in regard to house rent allowance, it was urged that they should be paid house rent allowances up to 1-12-48 when they were absorbed in Mysore service, as they were subject to Central Pay Commission scales up to that date, and on the ground that the house rent allowance was part of the Central Pay scales. This matter had already been considered by Government and the Government have passed orders stating that these officials will get only the pay and allowance that they were getting prior to the date of retrocession, on and after the date of such retrocession also. It was some time after the date of retrocession that the Central Government passed orders on the Central Pay Commission Report. This Government was not bound to give the benefits of that order to the

Civil Station staff who had already been taken over as a result of retrocession. However, this Government conceded ~~to~~ as a matter of grace the payment of the increase rates of pay according to Central Pay Commission, and, till 1-12-1948. The question cannot be reopened again.

6) The deputationists urged, that so far as they ~~are~~ were concerned, they may be exempted from having to serve in Malnad. This point could not be considered as once they got into Mysore service, they ~~are~~ were bound by the same rules as appl~~icable~~ ied to Mysor Government officials.

7. The last point urged was, that the officials who formerly worked in the Civil Station, should be given special preference to get into the Central Service in view of the ~~Federal~~ Integration of ~~the~~ several corresponding departments of the Centre ~~with~~ Departments into. It was explained to them that this cannot be conceded ~~to and as~~ on principle; ~~some~~ of them as were ~~are~~ already in ~~certai~~ integral departments like Incometax, ~~Sales Tax etc~~ ~~the~~ had chances of getting into the Central Government ~~was open to them~~. But it cannot be extended to all those who ~~are~~ were serving in the Civil Station as there was no principle behind it, and if it were ~~extended~~ conceded, it may lead to ~~several~~ similar requests coming in from the various departments ~~of~~ of the State Government.

8) ~~At the end of these discussions~~ The deputationists ~~were asked if they~~ had no ~~any further~~

6

Then asked to urge, and if they would still desire to see the Chief Minister in the light of these discussions, and on any ~~other~~ point on which the decision and the answers given by the Chief Secretary were not satisfactory to them, they stated that they were quite satisfied with the answers given by the Chief Secretary and the concessions preferred tentatively on behalf of Government, and that it would not be necessary for them to see the Chief Minister.

The second point, with regard to exemption from passing the departmental examinations, the deputationists were told that no exemption could be made in their cases as compared with other officials in the Mysore service except in regard to the fact that as no examination had been prescribed for them while they were in service in the Civil Station, a fresh period of two years would be given to them for qualifying themselves. The usual rule is that a person should have put in atleast 15 years of service and should also be 45 years of age in order to be eligible for exemption; but it will not be necessary to say that they should also have made attempts to pass the examinations before they attain 45 years. It goes without saying that those who are aged 43 and below will have to pass the examinations.

The third point is with regard to promotions and the alleged overlooking of the claims of qualified officials when considering promotions. It was made clear to them that they will have to take their chances in regard to promotion according to the new gradation lists which are being prepared either for the District or for the State in which their places will be determined after taking into consideration their length of service, lien, etc. etc. according to rules. In the matter of drawing increments, those whose pay is fixed at a particular stage above the efficiency bar stage, in any particular graded appointment, will continue to draw their increments for two years; but within that time they will have to either pass the examinations or get an exemption if eligible according to rules. If they do not satisfy either of these two conditions, at the end of the period of two years, they will not draw any further increment. Those whose pay is at a stage below the efficiency bar level, will draw increments up to the stage of the efficiency bar; but will not be given further increment till they pass all the requisite tests. The first point urged was in regard to reservation of permanent vacancies for absorbing officials belonging to temporary departments like the food, rent control etc. in the event of the abolition of those departments and consequent retrenchment of the temporary hands. An assurance was given to them that there would be no objection to give permanent liens to such officials who are now in temporary departments but this question will have to be considered along with those other tempora men who are in similar departments of Government of Mysore; any way a list of all such men will have to be prepared and sent to the Public Service Commissioner who will have to scrutinise them and see that they possess atleast the minimum qualifications required for those in similar grades and pay in the Mysore Service The Public Service Commissioner will then allot them, after scrutiny, to the several unit offices in the State and there would be no objection to appointing them against permanent vacancies that exist at the time or that may arise thereafter, in preference to new recruits. In view of the fact that some of these persons xk have already put in a number of years of service in temporary departments and would be normally over-aged for entertainment in the Mysore Service, it was also considered necessary that exemptio regarding age-bar may be given by the Public Service Commissioner wherever needed.

The third point is with regard to promotions and the alleged overlooking of the claims of qualified officials when considering promotions. It was made clear to them that they will have to take their chances in regard to promotion according to the new gradation lists which are being prepared either for the District or for the State in which their places will be determined after taking into consideration their length of service, lien, etc. etc. according to rules. In the matter of drawing increments, those whose pay is fixed at a particular stage above the efficiency bar stage, in any particular graded appointment, will continue to draw their increment for two years; but within that time they will have to either pass the examinations or get an exemption if eligible according to rules. If they do not satisfy either of these two conditions, at the end of the period of two years, they will not draw any further increment. Those whose pay is at a stage below the effieiency bar level, will draw increments up to the stage of the effieiency bar; but will not be given further increment till they pass all the requisite tests. These two conditions will however apply only to those who are alreat confirmed in their particular appointments, but will not apply to acting or temporary men.

Points raised by the Non-Gazetted Officers' Association, Civil Station when they met the Chief Secretary to the Government of Mysore on 9-2-1950:

- - - -

QUESTION:	ANSWER:
1. Absorbing officials of temporary departments like Food, Rent Control etc. on cessation of controls.	May be done, after lists are scrutinised by Public Service Commissioner provided they have the minimum qualifications. Exemption regarding age-bar to be granted by the Public Service Commissioner.
2. Exemption from passing Departmental examinations.	Two years time would be given for qualifying themselves. All officials aged 43 and less will have to pass the tests.
3. Promotions and increments.	They will have to take their chances for promotions according to the new gradation lists being prepared either for the District or State. Regarding increments, officials whose pay is above efficiency bar will draw it for <u>two years</u> within which time they should either pass the tests or get exempted if eligible. After 2 years if they do not satisfy either of these two conditions, they <u>will not</u> draw any further increment. Those whose pay is below the efficiency bar level, will draw increments up to the stage of efficiency bar. They will not get further increments till they pass all the required tests. These two conditions apply only to <u>permanent</u> officials, but not to Acting or temporary men.
4. Exemption from Malnad Service.	Cannot be conceded, as the same rules applied to all Mysore Government officials.
